

**DIGILEAF INC.**

**Public Training Calendar for Enterprise Quality Track [July to December 2010]**

<b>Certification Programs</b>							
Code	Program/Course Title	JUL	AUG	SEP	OCT	NOV	DEC
	<b>Certified Enterprise Quality Professional</b>						
GQ-001	Quality System Principle & Auditing				1 to 2		
GQ-002	Strategy-Focused Organization thru Balanced Scorecard				8		
GQ-004	Customer Satisfaction Index: Gauging Customer's Voice				9		
GQ-005	Understanding the Fusion of Enterprise-Quality Models				15		
SX-001	Leading & Managing in a Six Sigma World				16		
GQ-006	Building an Effective Metrics System				23		
LN-001	Lean Thinking for Process Mapping & Optimization					5	
GQ-007	Statistical Process Control					6, 12 to 13	
GQ-008	Root Cause Analysis And Risk Management Techniques					20	
GQ-009	Graphical Toolbox for Data Interpretation & Analysis					25	
GQ-010	IMAGINEERING: Innovative Thinking Techniques					26	
GQ-011	Change Management for Sustaining Success					27	
	Certification Review						3
	Certification Exam						4
	<b>Certified Lean Change Agent for Manufacturing</b>						
	Class Sessions						
	Certification Review						
	Certification Exam						

Code	Program/Course Title	JUL	AUG	SEP	OCT	NOV	DEC
	<b>Certified Lean Change Agent for Service</b>						
	Class Sessions						
	Certification Review						
	Certification Exam						
	<b>Certified Six Sigma Green Belt</b>						
	Class Sessions		Part 1: 16 to 20	Part 2: 13 to 17			
	Certification Review			18			
	Certification Exam			25			
	<b>Certified Six Sigma Black Belt</b>						
	Class Sessions			Part 1: 20 to 24	Part 2: 18 to 22	Part 3: 15 to 19	Part 4: 6 to 10
	Certification Review						11
	Certification Exam						18
	<b>Certified Competence Development Professional</b>						
PP-001	Learning Management: Developing Top Talent from Within	15 to 16					
PP-002	Skill Set of a Highly Effective Trainer	22 to 23					
PP-003	Analysis for Learning Effectiveness	29					
	Certification Review	30					
	Certification Exam	31					
<b>General Quality</b>							
Code	Program/Course Title	JUL	AUG	SEP	OCT	NOV	DEC
GQ-001	Quality System Principles & Auditing		11 to 12				
GQ-002	Strategy-Focused Organization thru Balanced Scorecard		31			8	
GQ-003	Team-Based Problem Solving thru Quality Circles				25 to 26		
GQ-004	Customer Satisfaction Index: Gauging the Voice of the Customer						13
GQ-005	Understanding the Fusion of Enterprise Quality Models		13			11	
GQ-006	Building an Effective Metrics System						14
GQ-007	Statistical Process Control: Detecting Process Variation & Capability						

Code	Program/Course Title	JUL	AUG	SEP	OCT	NOV	DEC
GQ-008	Root Cause Analysis & Risk Management Techniques						15
GQ-009	Graphical Toolbox for Data Interpretation & Analysis						16
GQ-010	IMAGINEERING: Innovative Thinking Techniques				11		
GQ-011	Change Management for Sustaining Success	13			12		
GQ-012	Measuring Financial Gains for Continuous Improvement	14			13		

**Six Sigma & Beyond**

Code	Program/Course Title	JUL	AUG	SEP	OCT	NOV	DEC
SX-001	Leading & Managing in a Six Sigma World	12				9	
SX-002	Measurement System Analysis					24	
SX-003	Hypothesis Testing for Advanced Data Analysis						
SX-004	Linear Regression Modelling						
SX-005	Logistic Regression Modelling						
SX-006	Design of Experiment Fundamentals	19					
SX-007	Design of Experiment Advanced - Screening & Optimization Techniques						
SX-008	Understanding DFSS - Design for Six Sigma Roadmap	20					
SX-009	Reliability Analysis						
SX-010	TRIZ: Theory of Inventive Problem Solving	21					

**Lean Management**

Code	Program/Course Title	JUL	AUG	SEP	OCT	NOV	DEC
LN-001	Lean for Manufacturing		24				
LN-002	Lean for Service		25				
LN-003	Value Stream Mapping Techniques		26				
LN-004	Identifying Time Traps & Process Constraints in Service		27				
LN-005	5S & Visual Controls			29			
LN-006	Customer Pull and Replenishment Systems						
LN-007	Poka-Yoke: Mistake Proofing and Standardization Techniques			30			
LN-008	Rapid Set-up methodology and Work Balancing						
LN-009	Total Productive Maintenance	27				22	

LN-010	Kaizen Blitz: Agile Approach to Process Optimization	28				23	
<b>People Management</b>							
<b>Code</b>	<b>Program/Course Title</b>	<b>JUL</b>	<b>AUG</b>	<b>SEP</b>	<b>OCT</b>	<b>NOV</b>	<b>DEC</b>
PP-001	Learning Management: Developing Top Talents from Within						
PP-002	Skill Set of a Highly Effective Trainer						
PP-003	Analysis for Learning Effectiveness						17

**Conditions:**

- Public Training is offered within the facility of Digileaf Inc. Training is inclusive of training materials, lunch and snacks.
- Corporate Trainings can be arranged and may be scheduled differently from the Public Training Offerings. Please inquire for the details.
- Please do inquire as well should you wish to attend the public training courses but on a different schedule. We may adjust as necessary.
- In case that the training need is not catered in the training list, please get in touch with the office to tailor-fit the course which will suffice the need of your organization.
